## HIDDEN DANGERS

### Nature Gives Timely Warnings That No Bennettville Citizen Can Afford to Ignore

Danger signal No. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

Danger signal No. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Bennettville proof:

E Powers, Merkinson St., Bennettville, S. C., says: "My wife had trouble from her kidneys for a considerable length of time. She was restless at night on account of pains in her back and through the region of the kidneys. She was also bothered by the frequent action of the kidney secretions. Since using Doan's Kidney Pills which I procured at J T Douglas' drug store, she has been in much better health. The pains have disappeared from her back, the kidneys are more regular in action and she does not have that dull, miserable feeling. I believe Doan's Kidney Pills to be a remedy well worth trial by anyone having kidney complaint."

For sale by all dealers. Price 20 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States.
